Netherlands Withholding Tax on Dividends

The basic Netherlands withholding tax on dividends is 15%.

With effect from January 1, 1994, the Tax Convention of December 18, 1992 between the United States of America and the Netherlands which was amended by the Protocol signed on March 8, 2004 (the "Tax Convention") entered into force.

Below is a brief and incomplete summary of the Tax Convention. **With regard to any particular circumstances and local tax consequences, advice should be obtained from your own tax counsel.**

General:

Individuals resident in the United States, as well as the U.S. Government, its political subdivisions and its local authorities can claim treaty benefits. U.S. resident persons other than the before mentioned must satisfy the conditions of Article 26 (Limitation on Benefits) of the Tax Convention in order to qualify for treaty reduction of Netherlands withholding tax on dividends.

As described below there is a procedure for relief at source except for exempt organizations (e.g. charities) as dealt with in Article 36 of the Tax Convention. If this procedure is not utilized a refund may be obtained.

15% Netherlands Withholding Tax:

Under the Tax Convention the reduced rate of 15% Netherlands withholding tax on dividends applies to individuals resident in the United States and to corporations organized under the laws of the United States or of a state or territory thereof and any other legal person subject to United States Federal income tax with respect to its worldwide income, provided the shares on which the dividend is paid are not effectively connected with a permanent establishment or a fixed base of the shareholder in the Netherlands.

0% Netherlands Withholding Tax:

Under the Tax Convention the rate of Netherlands withholding tax is generally reduced to 0% for dividends received by certain United States organizations that are generally exempt from United States Federal income tax and that are constituted and operated exclusively to administer or provide pension, retirement or other employee benefits (**Exempt Pension Trusts, Article 35 of the Tax Convention**).

Important – As outlined below in DTC Important Notice B# 0384 of July 28, 2000:

In order to secure Article 35 benefits, Depository Participants must have the following documents on file:

- **Certification letter (Form 6166) by the U.S. IRS for the taxable year(s) in question, stating that the trust in question is a trust forming part of a pension, profit sharing, or stock bonus plan qualified under Code section 401(a) of the IRC; or for all qualifying U.S. pension types (including qualified pension plans under Code section 401(a)),**
- **Qualification certification by the competent Netherlands tax authorities, stating that the trust in question is a U.S. resident tax-exempt trust as described in article 35, paragraph 1 of the treaty.**

Full refund of 15% Netherlands Withholding Tax:

Under the Tax Convention, certain United States organizations that are generally exempt from United States Federal income tax and that are constituted and operated exclusively for religious, charitable, scientific, educational or public purposes (**Exempt Organizations, Article 36 of the Tax Convention**), are now subject to an initial 15% Netherlands withholding tax on dividends. Such an Exempt Organization, if it would be exempt from tax in the Netherlands if it were organized and carried on all its activities therein, is entitled to reclaim directly from the Netherlands Tax Authorities a full refund of the 15% Netherlands withholding tax (see below).

Reduced Netherlands Withholding Tax Rates under other tax conventions and the Tax Regulation for the Kingdom of the Netherlands:

Where Shares of New York Registry are beneficially owned by non-residents of the United States, any exemption from, or reduction or refund of, the Netherlands withholding tax on dividends is governed by the "Tax Regulation for the Kingdom of the Netherlands" or by the respective tax convention, if any, between The Netherlands and their country of residence.

In order to receive on the payment date the dividend after deduction of Netherlands withholding tax at a reduced rate, the Split Letter, and the requisite tax affidavits must be received by us on or prior to **May 16, 2007**.

On May 23, 2007, we will make available to each depository a sufficient amount of immediately available funds to pay dividends on all Shares registered in the nominee name of the depository, provided however that we shall withhold 15% of the declared dividend, pursuant to Netherlands law.

On May 23, 2007, we will make available to each depository a sufficient amount of immediately available funds to each participant from whom we have received a Split Letter by **May 16, 2007**, a supplemental payment for 15% of the dividend with respect to those Shares reported to be beneficially owned by exempt pension trusts as dealt within Article 35 of the Tax Convention that are resident in the United States and that satisfy the conditions of Article 26 of that Convention.

After **May 23, 2008**, any refund of the 5% or 15% difference in Netherlands tax can only be obtained directly from the Netherlands Tax Authorities within the timeframe defined in the treaty between the Netherlands and the country of residence of the beneficial owner, generally set as three years after the expiration of the calendar year in which the tax has been levied. In this case a separate request must be filed by each beneficial owner with the Belastingdienst Limburg/kantoor buitenland, P.O. Box 2865, 6401 DJ Heerlen, The Netherlands on a duly completed Tax Form as outlined below (*) (NOT to be used by a U.S. charity or other exempt organization as dealt with in Article 36 of the Tax Convention; see (4), which should be accompanied by proof of the withholding and a satisfactory explanation of the reasons why the dividend payment was not obtained with the procedure described above.

Please note that no supplemental checks will be mailed with respect to U.S. exempt organizations (e.g. charities) as dealt with in Article 36, first paragraph of the Tax Convention. These exempt organizations, provided they satisfy the conditions of Article 26 of that Convention, can obtain a full refund of Netherlands dividend tax directly from the Netherlands Tax Authorities within three years after the expiration of the calendar year in which the tax has been levied. Therefore a separate request must be filed by each beneficial owner with the Belastingdienst Limburg/kantoor buitenland, P.O. Box 2865, 6401 DJ Heerlen, The Netherlands on a duly completed Tax Form IB 95 USA (*), which should be accompanied by proof of the withholding. a - Post Paydate Split Letter of the number of Shares beneficially owned on the record date by exempt U.S. pension trusts.

b - Duly completed tax forms in respect of Shares beneficially owned, on the record date, by residents of the countries listed in the attached schedule.

Thereafter, a refund (if any) of the tax can be obtained directly from the Netherlands Tax Authorities within a period varying for the various countries between 2 and 6 years after the expiration of the calendar year in which the tax has been levied.
