An interest payment has been announced on GCB DEVELOPMENT BK JPN D06/09/05 4.250% JD15 payable on **June 9, 2007**. The Depository Trust Company's Elective Dividend Service (EDS) provides withholding tax relief on interest from certain Japanese debt obligations. The above referenced security is backed by convertible corporate debt and meets the criteria required to be included on EDS. This interest payment is subject to **15%** (unfavorable) and **0%** (tax-exempt) withholding tax for qualified beneficial holders. Participants can use DTC's EDS function over PTS to certify all or a portion of their position entitled to the applicable tax rates. **Participants are urged to consult the PTS function TAXI before certifying their elections over EDS.**

In general, Japanese withholding tax rules require that a Japanese tax at the rate of **15%** be withheld on interest payments from certain Japanese debt obligations issued outside of Japan on or after April 1, 1998, and from Japanese government bonds denominated in non-Japanese currency and issued abroad on or after April 1, 1998, unless the payee satisfies certain eligibility and documentation requirements to demonstrate that they qualify for an exemption from the 15% tax. To qualify for an exemption for this withholding tax (**0%**), payees must demonstrate, directly or through an intermediary, that the beneficial owner is not a Japanese resident for tax purposes, or that the payee is a Japanese Designated Financial Institution (DFI).
