

General Session Descriptions

Keynote Address

Dennis Dirks, President and Chief Operating Officer of DTCC will kick-start the conference with an update on the latest news in straight-through processing, and an overview of current and future events at DTCC.

STP Panel Discussion

In this session, a panel of speakers including Dennis Dirks from DTCC, Lee Cutrone from Omgeo, and one of our own BDUG Bankers will discuss the topics that are most critical to you in straight-through processing. To get things started, we are asking that you send us questions that we can pose to the panelists. This is your opportunity to set the session agenda to meet your needs. **Please e-mail your questions to Joe Arney Jarney@DTCC.Com no later than September 2nd.**

Participant Browser Services

In this session, DTC will give an update on the PBS services it has rolled out. New versions of the Settlement Browser and the Corporate Actions browser have been released through the private network. A Settlement Bank browser is available, and a Participant Inquiry and Notification System (PINS) browser has been released in pilot through both the private network and the Internet. Come and hear about DTC's plans for the future as it begins to focus on value added services and the transition away from 3270 green screens. See a demo after the session.

Contingency Planning/Audit/OCC/SEC

Since this is a top priority for all of us, we've invited experts to share the latest thinking on this subject from a regulatory and service delivery standpoint. In this session, you will learn what changes must be made to meet the next wave of regulations.

Settlement Update

In this session DTC's John Abel will provide an update on the latest developments in the Settlement Department including the Net Settlement Service, the combining of the DTC and NSCC settlement systems, and the Inventory Management System. Learn what it means to be Active or Passive, and how you will be able to interact with DTC to manage the Authorization process.

Corporate Actions, GCAH and GCAV

Don't miss this opportunity to learn the latest developments in DTC's Corporate Actions service including an update on the Global Corporate Actions Hub and the Global Corporate Action Validation Service.

Conference Recap

Come to this session with your questions. We'll recap the sessions and, if you don't have questions for us, we'll ask you. Door prizes will follow....
