**SUBJECT:** **DWAC Deposit Pend Capability Postponed**

Important Notice B # 9711 informed participants and agents that effective April 27, DWAC Deposits will reside in the system up to three business days, including the day of the transaction, to allow agents additional time to acknowledge (approve/cancel) participants' requests. The enhancement also will reduce the requirement for participants to reenter unacknowledged requests, which drop from the system at the end of the day.

Due to constraints some participants expressed in implementing this change, the capability for DWAC Deposits to 'pend' will be temporarily postponed. You will be informed of any changes or updates through future Important Notices.

Participants and agents will continue to use existing functionality until further notice.

Any questions regarding DWAC and this notice may be directed to Mr. Armando Di Biase, Manager, at (212) 855-4480 or [armando\\_di\\_biase@dtc.org](mailto:armando_di_biase@dtc.org).
