Record Date: 07/11/01 Pay Date: 07/25/01

Repsol YPF S.A., a constituent of Europe 2001 HOLDRS, has announced a cash dividend. This dividend will be subject to a Spanish Income Tax of 18% of the gross dividend. Under the terms of the Convention between the United States and Spain for the Avoidance of Double Taxation, eligible Europe 2001+ holders may reduce the income tax to 15%.

Europe 2001+ HOLDRS has offered to apply the 15% Treaty rate to those eligible holders who provide the necessary certificates to **The Bank of New York on or before July 18, 2001**. This will eliminate the need to file directly with the Spanish Tax Authorities. **Any request received after July 18, 2001 will be returned to the Europe 2001+ holder, and the holder will then need to claim directly from the Spanish Tax Authorities a refund of the 3% (difference between the 18% general rate and the 15% Treaty rate).**

Beneficial owners of Europe 2001+ HOLDRS should obtain a Form 6166 from the Internal Revenue Service (IRS) certifying their United States residence. This **Form 6166 should bear a date subsequent to July 12, 2000** and contain in the space provided the statement "the United States Tax Authorities certify that to the best of their knowledge, the tax payer is a resident of the United States within the meaning of the United States-Spain Income Tax Convention." Once obtained, the beneficial holder should send the original Form 6166 to their respective bank or broker with a cover letter on company stationery giving all shareholder information. The letter must include the following: shareholder name, address, tax

The dividend adjustment (3%) paid in US dollars will be made by The Bank of New York upon receipt of funds from Repsol YPF (a constituent of the Europe 2001+ HOLDRS). The Bank of New York will make payment ten (10) business days after receipt of such funds.
