**This notice is to advise participants that a special EDS procedure has been implemented to facilitate compliance with Japanese tax rules affecting international securities offerings of certain interest-bearing debt obligations by Japanese issuers.**

**Please be advised that this payment will be made by the paying agent in Japanese Yen only with the appropriate tax withheld based on participants EDS elections.**

As stated in Important Notice # 6064 dated February 5, 1999, the Depository Trust Company has expanded the Elective Dividend Service (EDS) to provide withholding tax relief on interest from certain Japanese debt obligations for new issues at DTC. The above referenced security is backed by convertible corporate debt and meets the criteria required to be included on EDS. This interest payment is subject to **15%** (unfavorable) and **0%** (tax-exempt) withholding tax for qualified beneficial holders. Participants can use DTC's EDS function over PTS to certify all or a portion of their position entitled to the applicable tax rates. **Participants are urged to consult the PTS function TAXI before certifying their elections over EDS.**

In general, Japanese withholding tax rules require that a Japanese tax at the rate of **15%** be withheld on interest payments from certain Japanese debt obligations issued outside of Japan on or after April 1, 1998, and from Japanese government bonds denominated in non-Japanese currency and issued abroad on or after April 1, 1998, unless the payee satisfies certain eligibility and documentation requirements to demonstrate that they qualify for an exemption from the 15% tax.

To qualify for an exemption for this withholding tax (**0%**), payees must demonstrate, directly or through an intermediary, that the beneficial owner is not a Japanese resident for tax purposes, or that the payee is a Japanese Designated Financial Institution (DFI).

**NOTE: THE DEADLINE FOR CERTIFYING OVER EDS IS MARCH 20, 2002.**

**Important: Prior to certifying over EDS, participants are reminded to read, understand and comply with information in the Legal Conditions category of TAXINFO – Japan under the PTS function TAXI. Also, it is important to note that DTC does not require participants to use the EDS system.**
