DTC has been notified by J.P. Morgan Chase Bank that under the Tax Convention between the United States and Sweden, qualifying United States beneficial owners are entitled to a reduced tax treaty of 15% rather than the statutory withholding tax rate of 30% with the exception of shares effectively connected with the beneficial owner's permanent establishment in Sweden.

Participants can use DTC's Elective Dividend System (EDS) function over the Participant Terminal System (PTS) to certify all or a portion of their position entitled to the applicable withholding tax rate.

**NOTE: THE DEADLINE FOR CERTIFYING OVER EDS IS APRIL 23, 2002.**

By certifying for the applicable withholding rate, the participant is certifying that the criteria listed below have been met:

1. The participant has determined that the beneficial owner is a resident of the United States, (eligible for the 15% rate of withholding on dividend income) and does not carry on business in Sweden through a permanent establishment in respect of which the dividend paid is effectively connected.

-Over-

2. The participant shall provide ownership information within two weeks of a receipt of a request from the Swedish Director of Taxes; such as the beneficial owner's name, the entire address, the country of residence, (i.e.- the country where the beneficial owner is resident for tax purposes), date of birth, tax identification number (for an individual, social security number), as well as the number of shares for which the reduced rate of withholding tax was certified, the rate that was applied, and any other information that the tax authorities may reasonably request.
3. The participant will indemnify J.P. Morgan Chase Bank (and its local custodian) for any liability they may incur as a result of their reliance on the information certified by the participant through the EDS system and will be responsible for any refunds of withholding tax to the Swedish tax authorities through J.P. Morgan Chase Bank.
4. The participant will be liable for any foreign exchange fluctuations impacting the amount of refunds or claims with the Swedish tax authorities.

**IF PARTICIPANTS DO NOT CERTIFY THROUGH EDS FOR THE FAVORABLE RATE, THEY WILL RECEIVE THE DIVIDEND WITH 30% WITHHELD.**

*(Swedish residents may not benefit from the favorable rate program).*

**Non-U.S. holders and U.S. holders who failed to elect over EDS may submit reclaim documentation no later than the initial filing deadline of JUNE 11, 2002 to reclaim the over withheld tax.**

Tax reclaims are subject to a depository service charge equal to 0.003 per ADR share with a minimum of \$25.00 and a maximum of \$2,500.00.
