 of the Proposed Rule Change

The proposed rule change clarifies recent changes to DTC's Deposit
 Service procedures.

II. Self-Regulatory Organization's Statement of the Purpose of, and
 Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, DTC included statements
 concerning the purpose of and basis for the proposed rule change and
 discussed any comments it received on the proposed rule change. The
 text of these statements may be examined at the places specified in
 Item IV below. DTC has prepared summaries, set forth in Sections A, B,
 and C below, of the most significant aspects of such statements.\4\

\4\ The Commission has modified the text of the summaries
 prepared by FICC.

A. Self-Regulatory Organization's Statement of the Purpose of, and
 Statutory Basis for, the Proposed Rule Change

The proposed rule change clarifies recent changes that DTC made to
 its Deposit Service procedures.\5\ As part of those changes, DTC
 requires participants to certify to DTC that the participant screened
 the name of the party in whose name a deposited security certificate is
 registered against the U.S. Department of the Treasury's Office of
 Foreign Assets and Control (`OFAC') list of Specially Designated
 Nationals and against OFAC's regulations and that there were no matches

identified by such comparison. The purpose of this rule filing is to clarify that if the certificate has been assigned by the party in whose name the security was registered, participants only need to certify that they have screened the name of the most recent assignee and that there were no matches identified.\6\
