**DATE:** January 27, 1998  
**TO:** SID Users  
**FROM:** Product Management  
**ATTENTION:** SID Users  
**SUBJECT:** SID Local Printing

An enhancement to the SID Account Data Summary Print-out (P-print) function will be implemented January 29th, 1998.

This feature will allow SID users at different locations to request and print account summary reports at destinations where the user resides. IT WILL NOT AFFECT NOTIFICATIONS. You will continue to receive notification as you do today.

Each PTS/Dial-Up user with authorization to request SID Account Data Summary (P-print) should verify the desired printer destination on the form below. All requested account summaries will print at this printer shortly after the request is submitted.
