SUBJECT: FOCUS on the Web: Date for Reorganization Course Offering!

DTCC Learning is pleased to announce its newest course offering for the 2007 FOCUS on the Web.

Introduction to DTC Asset Servicing: Reorganization is a two-hour Webinar session, led by a DTCC Learning training expert, designed to provide learners with an understanding of the concepts, terminology and fundamentals associated with processing mandatory and voluntary reorganizations at DTC. Discussion topics include:

- Overview of corporate actions and corporate action events
- Mandatory corporate action events
- Redemption events
- Voluntary corporate action events

A certificate of completion will be awarded to session attendees. Attendees with Certified Securities Operations Professional (C.S.O.P.) certification from the Institute of Certified Bankers will earn 3.75 continuing education units (CEUs).

Introduction to DTC Asset Servicing: Reorganization will be offered on April 24, 2007, from 10:00 a.m. to noon eastern time.

Any additional dates will be announced on DTCC Learning's Website <http://learning.dtcc.com>.

As with previous "FOCUS on the Web" courses, DTCC Learning is offering this program for only **\$95/person**. Your Participant Account will be charged upon registration for the program.
