SUBJECT: Worthless Securities To Be Deleted From
Participants' Accounts

The Issuer or Transfer Agent of each of the securities identified on the attached listing has informed DTC that the rights represented by the securities have expired and that the certificates representing such securities are therefore worthless. Consequently, effective on or after the thirtieth day following the date of this notice: (a) such securities will be deleted from all Participants' accounts and (b) DTC may, in its sole discretion destroy the certificates representing such securities without further notice.

Participants can remove security positions deemed worthless by using the Position Removal (PREM) function over the Participant Terminal System (PTS) prior to the date on which DTC will delete such positions.

During the first week of next month DTC will accept day deposits on the issues listed as expired issues on this Notice. In order to use this special deposit procedure, Participants must do the following:

- (1) Participants must send to their Participant Services representative a copy of the attached "Blanket Acknowledgement and Authorization RE: Deposit of Worthless Certificates" (Exhibit A), executed by an authorized person. No deposits of expired securities under this procedure will be accepted from Participants who have not filed this authorization.

- (2) The deposit ticket for the expired securities should be marked prominently “Worthless Securities”.
- (3) Each deposit of expired securities should be accompanied by a copy of the attached “Manifest and Acknowledgement & Authorization/Deposit of Worthless Certificates” (Exhibit B), completed with the details of the deposited securities.
- (4) The Deposit should be presented at Window 7 in the Central Delivery Area at 55 Water Street during normal day deposit hours.

All deposits of expired securities will be billed as Zone D Deposits. These deposits will be reflected on Participants Activity Statements in the same fashion as any other deposits. Participants remain fully responsible for reviewing these Statements to ensure that these activities are properly reflected. DTC may reinstate positions in Participants’ accounts if an issuer or transfer agent subsequently indicates to DTC that the security does, in fact, have value.

Warning: Nothing contained in this Notice shall relieve Participants of their responsibility under DTC’s Rules and Procedures to check the accuracy of their Daily Participant Statements and to notify DTC of any discrepancies.

Any questions regarding this Notice may be directed to the undersigned at (212) 855-5131 or Luis Francisco at (212) 855-5260.
