SUBJECT: Eligibility of Municipal Issues Without CUSIPs

The 68 issues of Registered Municipal bonds listed in the attachment to this notice have been assigned CUSIP numbers by the CUSIP Service Bureau, and are now eligible for DTC services.

Where applicable, to provide additional identification of the issue, the previously assigned JJ Kenny number is included.

Since this program was initiated in 1992, DTC has requested the assignment and made eligible approximately 32,419 Municipal and Corporate securities. Participants that would like a diskette of these securities, complete with the assigned CUSIPs and security descriptions, should contact John LaBarbera, Underwriting Department Manager (212) 855-3855.
